This weekend we will be continuing our fundraising efforts for Azri to ease the burden on her family and we are calling on our football family to donate online at

<https://www.gofundme.com/azri-mortimer>

Or donate this weekend at Bert Saunders.

Every little bit helps.

CHOCOLATE MONEY & FUNDRAISING LEVY OVERDUE

Thank you to all those that have returned chocolates money or paid their fundraising levy.

REMEMBER that **EVERY** player is required to either sell a box of chocolates or pay a fundraising levy of \$20. This must be done by this Wednesday between 5.30 and 6.30 pm or on Saturday of this week.

COMPETITION COACHES

We are now at the pointy end of the season where some teams are competing for semi finals spots and where every point counts. At times, this hunger for points results in the disrespect of referees which unfortunately will only result in suspensions for players and in some cases, teams.

Referees become much more serious about the strict application of the rules at this time in the season so I encourage all competition players to be very mindful of their behaviour on the field as a suspension now could see you miss the rest of the season.

Players must also be mindful of their yellow card count, accumulating 5 yellows will result in a 1 match suspension.

St Pats committee expects all players and officials to show respect for everyone in the game, especially referees and assistant referees.

Kind Regards
Christine McDonald

Match Reports

U16/1.....St Pats 7 def Oakville 0

Goal kickers: Tong 2,Anyanya 2,Chol,Baran,Denver.

This was so impressive with the effort spread right across the field. Preet was dynamic, constantly linking the backs and the forwards. Josh was in command in the midfield always passing to our advantage. Chol got the scoreboard moving with a nice goal. 1-0. Tong sent a super cross into goal and Chol ,running hard, just failed to get a boot on the ball. We won a penalty and Tong put it into the right corner 2-0. There was relentless attack now with Baran shooting just wide.

Blanco and Tong turned on a classic piece of play with six passes to each other as they mounted assaults down the left hand side. Then Jonathan ,Baran and Anyanya combined with superb passing to see Tong finish the move up front. 3-0 The start of the second half was "Anyanya time" as he goaled twice in minutes..5-0,taking him into double figures for the year.

Baran was now impossible to stop down the right hand side and it was only fitting that he gave us yet another candidate for Goal of the Year, an astonishing corner struck high into the Oakville jet stream, turning left into the top of the goal...Unstoppable...6-0. (I've given up on Goal of the Year....you can make your own decision!!!) Baran sent another lovely corner high into the front of goal where it went on a ping-pong heading contest before Denver raced into the pack(What's he doing up there ?) and popped it in for our final goal 7-0. Fatoj sent a terrific cross in and we just failed to get it on target. Julian now decided that it was time for him to get totally revved-up and launched three attacks on the defence...he was like a one-man demolition squad. One shot went just over, the keeper stopped another and the third hit the post and bounced away. Supporters started blaming his headband, chanting "get rid of the headband!!!". And folks, these were members of HIS OWN FAMILY. As I left they were yelling to me to make sure I mentioned the headband in this week's Match Report.

"Are they kidding ?" I thought "Would I embarrass my old mate Julian by doing that?.....come on!!! ". Oh, by the way this Monday night is our delayed appointment with

Lourdes...I'll keep you posted on how that works out when we meet up next week.
