ISSUE 9 DATED 30/4/18

We had another busy Saturday at Bert and the Committee would like to say a big Thank You to those parents who have come along to assist before their game - Your Help is greatly appreciated!

This coming weekend will be Round 1 and Round 6. Please read the draw carefully as most Teams are playing 2 games across the weekend. Our competition teams are playing night games on Friday and Monday Night. Please let your Coach and Manager know ASAP if you are unable to play in either game.

Our sock order has come in - Please see a Committee Member at training or across the weekend for your socks.

On Monday 14th May, Spartans will be hosting a training session for their U9 teams at St Pats. This is a great opportunity for coaches to observe an elite coaching style. Players are also welcome to come and watch. There are a number of these sessions being held for various age groups across Blacktown and we encourage coaches to take advantage of this additional training. This session will be on between 6-8pm.

TEAM PHOTOS

TEAM PHOTOS will be on the 18/19 May. Photo times will be provided shortly. Senior teams not wanting to participate, please advise Stephanie on sthephanie1@bigpond.com

FIELD SET & TAKE DOWN

Teams who have the first kickoff are required to come down early to assist with the set up of the fields. Teams that are playing the last game of the day are required to assist in being down the nets.

CHILD SAFETY

It is important that every child has a parent and/or guardian that remains with them at training and at games AT ALL TIMES. There have been a number of occasions where children have been left at the ground during training and not picked up for some time after training has finished. Coaches and Managers are not babysitters, parents and guardians are to remain with their children at all times in the event of injury and/or training finished early. Please ensure that this is adhered to.

Match Reports

U20/2 St Pats 3 drew Q.Hill Tigers 3.
Goals Tong 2, Marty.

A classic confrontation between the two teams at the top of the ladder. Both were undefeated and after today's result, that's exactly how it still stands. It was a day for the Julian's with Julian M continuing his hot form and Julian D constantly repelling attacks and driving us forward with a series of great runs down the line. We struck early with a fine goal to Tong 1-0 but Tigers put our defence under extreme pressure just missing two shots. There was a scramble in front of our goals and they managed to sneak it in to make the score 1-1. Denver was forced off for the rest of the half with a knee injury and coach Josh threw Baran back into defence. Tigers continued to use the ball beautifully while our passing was a bit scratchy. Our opponents then pumped a high ball over from the left wing where their forwards kicked a tremendous goal to make it 1-2 at half time.

Paddy's emerged for the second half with serious intent and a much improved passing effort. Tong struck just wide and Chol Mading made a nice run, just missing the goal. There was more action up forward with the ball bobbling about. Marty, who'd come up for the corner, took one look at this and decided something needed to be done to that ball, so he whacked it straight in - a much needed score - to have us level 2-2. We were exerting tremendous pressure now from across the ground and their keeper made a double save, so it was against the run of play that Tigers won a corner down the other end. Keeper Shaun knocked the first shot clear but it rebounded to the forwards who converted, 2-3. We were in trouble but not for long. A beautiful pass came out of defence, linking up with Tong on the wing who took it all the way to get us back on level terms 3-3.

We now had massive momentum as Tong went just wide with two shots and Chol Mading cranked up a wonderful shot which just crunched the woodwork.

We met a team this afternoon with strong defence and impressive strikers and there's no doubt their pressure upset us in the first half but the longer the game went the better we got. St Pats was pounding the opposition defence for much of the second half. Excellent game.

U12(D3) St Pats 8, Polonia 2.

Despite the unfavourable conditions, our players turned up and put up a great performance. We missed Luke, Avi, Shakya and Jay on Saturday. Christiane and Christopher from U12D4 helped us out to make up the team and did a fantastic job, thanks to Rob for helping out and big thank you to Christian and Christopher.

We started off a bit sluggish first half, something we seem to be repeating, we need to work on this during our training. Picked up momentum and started to see the team gel and finding the nett.

Remy filled in as our goalie and did a fantastic job in between the posts, good work Remy. We swapped positions which saw us combining well with long clearances and tenacious attacks.

Anthony opened up the scoring for us from the left flank and we were sailing well from then on. Our defence line remained intact, mid moved well and strikers were on the ball throughout.

Thanks to the parents for the half time oranges/snacks and your support on Saturday, you were very vocal cheering the team.

Coach- Prem, Manager- Michelle

U12/4's Rob

Excellent defensive play lead by our Captain Jack Adamcewicz set up a strong win for our team against the Ponds. As a coach I am extremely proud of how our squad pass the Football. They are able to string 4 and 5 passes together to create opportunities on goal. All players are included in the game and play a role that contributes to our success. To maintain possession of the ball for around 75% of the game is a credit to their ability to trust one another. Outstanding players of the match were Christopher Moon who put away a hat trick. MVP of the match went to Christian Bangel who scored 4 goals and created magically for his team mates. A special game as we farewelled one of our players Billie Wild. Billie has contributed positively to our team and the St Pat's Soccer Club for a 5 year period. Billie and her family are moving to Brisbane and we will miss her dearly.

Coach
Rob Bangel

Prospect Vs U13-3s (6 – 2, Half time 4-0, Adam – 2)

It was a miserable start to the morning, the Autumn/ Winter season had come together, constant drizzle and colder than normal day.

Notwithstanding the weather the boys were upbeat as I listen to the coaches pre-game tactics and positional talks. The team's scout Sam who had just returned from a reconnaissance mission on the opposition warned the boys against complacency advising that our opposition had recently been promoted and had very good goal difference.

It did not take long for Prospect to demonstrate their scoring prowess going ahead within 30 seconds of the start. The first half seem to go on forever and by the time the referee brought the half to an end our boys heads had dropped and we had given the opposition a 4 goal to nil advantage. I again listened to the coach half time talk, most coaches would have been ropeable with such a half, just ask the U20s!!!!!! but our coach did not panic and advised the boys that anything was possible if the team played its game.

It must have worked because through some good off the ball running and team passing, and final pass from Arshad that would dissect the opposition back 3 for Adam to latch onto the ball a run some 30 metres to score. The boys continued to lift, defending in numbers and attacking at every opportunity. Adam would then double his goal tally for the day but Prospect would match our boys 2 goals in the second half.

It was arguably the hardest game of the season and there were plenty of learnings from the game that the boys and coaching staff can use to help them prepare for the 3 games in 7 days commencing next weekend.
