Match Reports

U20/2 Q.H. Tigers 4 def St Pats 1.

This is a bit of a shock to the system: our first defeat of the season. Welcome to reality. Blanco started us with lots of attack and Jacob played his best game of the year as our backline came under intense pressure. Alex sent a top pass into the forward line but we were having trouble getting a score on the board. Stephen and Justin were working really hard but we still went to the breakdown 0-2. Julian - who ram himself to a standstill this afternoon - sent a tremendous kick into attack and an own-goal saw us back to 1-3..still an outside chance. But it was not to be. I know all the boys will be really mad after this result but when you look at the game overall.....the fact is there is a lot of up-side. For starters we had as much possession as the Tigers. It's just that they used the ball better and took their chances in front of goal. We actually had more opportunities to score than our opponents. All we need is marginal improvements in our passing game and a few more of those shots going in, rather than just going wide. Our disposal actually improved in the second half and we never stopped attacking. Just to underline our Paddy's "never give up" spirit, keeper Shaun ended the game with a wonderful save at point-blank range. There is another important thing to remember guys....

WE GET ANOTHER CHANCE AGAINST THE TIGERS LATER IN THE SEASON. Circle that date on your soccer calendar.

U12/4 Match Report St Pat's 0, Red back's 3.

As a coach I am very proud of my teams effort today during our first defeat of the regular season. Today's game displayed the true characters of my fine group of young children. We all congratulated the opposition and match officials after some very tough calls and remained optimistic about our future in the competition.

Christian Bangel and Jordan Armas tried their very best to defend the midfield while providing some intelligent balls through to our strikers. Player of the match went to Hayden Beke who fought extremely hard on the ball. It was cold and windy and the fact that four of our team played even though they were sick is a testament to the character of the players and commitment from parents. A special thank you to players and parents for today's game. It is in a loss that you are able to learn how to win.

Coach:Rob

U12(D3) St Pats 4, Workers 1.

We played like champions today, were up against the team which defeated us in first round. From the start whistle, we had the control of the match, tenacious attacks and barrage of shots at goal put us early on the score board.

It was early game and very cold. Andrew stepped up and his skill foot work and quick runs on the right was entertaining to watch.

I was pleased to see how our players debriefed at half time break, everyone collaborated and suggested our moves and defence strategy. I stood and watched them talk to each other and inspire each other during the half time break. Well done team.

We conceded one in the first half but this didn't damper our quest for more goals.

Thanks to the parents for the half time oranges/snacks and your support ,you were very vocal cheering the team.
