Match Reports

U12/4

St Pat's 3, Ponds 0. Christian Bangel 2, Hayden Herder-Beke 1

Rock solid defensive play from Sophie Williams, Christopher Antoniou and Ryan Manandhar provided a platform of exceptional team Football. Outstanding midfield play from Christian Bangel, Jack Adamcewicz, and Jordan Armas of which put up to five and six continuous passes together using the width of the field and making smart switches to the opposite side of the park.

Our teams ability to include and trust in all players on our squad is a credit to the characters of the fine young children that I have the privilege to mentor on a weekly basis. I love their unselfish and humble natures that bring our squad closer every week that we take the field. All team members contribute to setting up some high quality goals that are magical to watch.

Our MVP of the game went to Christopher Moon who gave 100% effort throughout the entire match. Thank you team, Mel our Manager and all the *parents who are raising a fine bunch of youngsters*.

We are team.

Coach: Rob

U12(D3) St Pats 5, Polonia 5.

St Pats played like champions on Saturday. We played fair and with respect to the referee and opposing team. A few calls went against us and number of times which was apparent but we pushed on and didn't let the referees call hold us back.

We were down 2 goals first 15 minutes as we were playing the offside rule but goals were allowed. Half time team talk and debrief saw us step up and take control. We scored through our quick runs and first touches. Luis, Raiyan and Andrew upfront worked very hard supported by Ant, Priyesh and Remi in the mid. Our defence of Anthony, Emanuel, Vince and Shakayla kept the attacks at bay. Avi and Alamoni worked hard in the mid and provided the strikers the much need runs.

Luke stood tall between the posts and his quick observations helped us switch our game plan.

Thanks to all players for your effort on Saturday

Thanks to the parents for the half time oranges/snacks and your support, you were very vocal cheering the team.

Match Reports continued

U20/2 **St Pats 2 def. Prospect Whites 0.**
Goals: **Josh, Stephen.**

We knew it would be a tough day at the office but did the Whites have to make it that tough!!! They took the game right up to us, turning the encounter into a real work-out.

It took us a little while to get on the front foot where Tong ran down the right side, passed to Anyanya who slipped the ball back to Josh who'd joined in from midfield. His kick rammed the ball into the right hand side, with considerable venom. We were up 1-0 but our opposition wouldn't take a backward step. Baran took a series of beautiful corners, Stephen launched a penetrating run, Julian was getting well and truly revved-up and Alex was winning a lot of ball out wide on the left. We were now generating massive possession in the second half .

Stephen ran hard and just went over the crossbar. Chol Majack launched a fine run. Tong - working hard as usual - kept the ball in play and sent it to Stephen who thumped it into the net...no problems..2-0.

Things ended unhappily for us though when Marty had to be helped from the field with a nasty cut to the head, in need of some medical repairs. The Prospect player who'd accidentally kicked him came over immediately after the game, most apologetic, obviously extremely concerned.

Both boys shook hands in true Aussie sporting spirit.
