Match Reports

U12/4 - Minor Prems!!!!

St Pat's 2, Oakville 1,

Goals : Christian Bangel 1, Christopher Moon 1

A wonderful way to end the regular season with a well fought win to head towards next weeks Major Semi Final. A fantastic left foot strike from Christian got us away to a great start. This was followed with a timed run from Christopher who netted a magical goal from a top class pass from Christian. A truly magical combination throughout the season these two have been.

Jordan Armas, Ryan Manandhar along with Sophie Williams displayed intelligent defensive plays and distributed the ball forward and wide to our hard working midfield. A super effort from Christos Antoniou after having a tough week of being sick displayed courage and humility on the park.

Minor Premiers and now their focus towards the Major Semi. Best wishes to our wonderful U12 team.

Thank you Mel our Manager and all the genuine parents for their support.
